The Jonsson School defines **Cooperative Education** as a commitment of three or more semesters. **Internships** are defined as a commitment of one or two semesters.

Part-time, Parallel Option: Students may work part-time for the Fall and Spring Semesters. Students may work either full-time or part-time for the Summer Semester. Students normally work consecutive semesters in this option.
Full-time, Alternating Option: Students may work full-time for any of the Fall, Spring, or Summer Semesters. Students normally alternate between semesters of full-time work and semesters of full-time school.

Students may work consecutive semesters of full-time work on the first assignment with a company such as the Summer and Fall Semesters or the Spring and Summer Semesters. Employers are asked not to schedule students for consecutive full-time assignments for the Fall and Spring Semesters. Employers are also asked not to engage students as independent contractors. International students may NOT work as independent contractors.
